AMP is a dual event with art and performance showcase with the art showcase held in February. All performers are asked to choose a visual art piece from the art showcase to “perform” with. You may choose a piece that inspires you to create a performance, or you may choose a piece that pairs well with a performance you already have planned. You may view the visual art by the following methods;

- View AMP display: The Cave Collective
- View AMP on www.lifeways.us
- Contact Lifeways to discuss options
